Dear Miss Rhonda:

It was my absolute pleasure to work for you this summer. I cannot express enough my gratitude. I feel as though you helped me more than I did for you. If you ever need any assistance on any sort of project, simply let me know; I would be more than happy to lend a hand.

I hope you know how many young lives and hearts you have touched and continue to touch through your organization. I believe in myself; after this summer, I found in my heart a new drive to become successful in some sort of STEM field. Everything you do really does change the lives of the young teens you work with; it changed mine.

Thank You again for such an amazing opportunity.

Sincerely Yours,
